

ROCKSTARZ Presents

Legendary *Bad Company* and *Free* drummer, Simon Kirke, is featured in the new DVD: "LESSONS FROM A LEGEND. Learn How to Play Drums From a Pro."

Rockstarz, Inc. has developed a new and exciting series of DVD's: LESSONS FROM A LEGEND. This DVD series teaches all aspects of a Rock and Roll band: Drums, Guitar, Bass, Keyboards, Vocals, and Songwriting.

This DVD provides you with a private lesson from Simon Kirke, considered one of the greatest and most influential drummers of our time. Simon invites you to play along with him as he teaches you to play classic rock hits from *Bad Company* and *Free*.

Rockstarz' goal is to teach the average person how to play music like their favorite rock star. In our case, we actually have the rock stars themselves playing and teaching the lessons.

"Simon Kirke is one of my favorite drummers...what better way to learn these classics than from the man himself! I loved it."
